INFORMED CONSENT AND RELEASE OF LIABILITY

Our goal is to provide you with quality counseling. Some clients need only a few sessions to achieve these goals while others may require many more. As a client, you have the right to end our counseling relationship at any point.

1. I understand that my counselor is working under Texas laws, rules and statutes as a Licensed Psychologist, Licensed Professional Counselor (LPC), LPC-Intern or as a practicum student. LPC-Interns and practicum students are under the supervision of Dr. Jennie Fincher, LPC-S.

2. I understand that my counseling records are kept confidential, except where disclosure is required by law or the ethics of the counseling profession. Possible exceptions to confidentiality include but are not limited to the following situations:

- abuse of a child, elderly or disabled person
- child custody cases that go before a court of law
- potential harm or threat to self or others
- information subpoenaed by a court of law
- third party requests for payment

3. In consideration of the benefits to be derived from the counseling, the receipt whereof is hereby acknowledged, I hereby release, remise and forever discharge and covenant not to sue or hold legally liable North Texas Counseling Associates, PLLC, its employees or members from any and all claims, demands, actions, or causes of action of whatsoever kind and nature related to the counseling process. I also give permission for my counselor to converse with other counselors in the group practice to provide the best possible treatment.

4. The clinical records are the property of North Texas Counseling Associates, PLLC and are deemed records of confidential sessions between therapists and clients. I waive any right I may otherwise have to seek to use the clinical records of the counseling center as evidence in any judicial proceedings. I understand that if anyone from this office is subpoenaed or court ordered to testify in court as an expert witness, court fees are separate from the counselor's regular counseling rates. Court appearances, depositions, and attorney consultations are \$150.00 per hour (including all time involved in preparation, research, parking fees, mileage, travel time to and from the court house and all other expenses incurred in relation to testifying). A retainer of \$900.00 is to be paid prior to the court date. If the costs for the testifying process exceed the amount of the retainer then those fees will be billed to you and are due upon receipt of the invoice. The party issuing the subpoena is responsible for the testifying fees.

5. Counseling sessions last approximately forty-five (45) minutes. **24-hour notice is required for all cancellations to avoid a \$50.00 fee. If you fail to respond to communication for a late cancellation or missed appointment the card on file will be charged for the amount owed. Any client that has more than 3 no show fees, late cancellation fees, or combination of both on account, the individual forfeits future standing appointments.** Fees are due at the beginning of each session. **All accounts are required to have a credit card on file.**
